#### NOTICE OF INTERIM DETERMINATION

### POKOLBIN

#### Invitation to make written submissions

The Geographical Indications Committee (GIC) is a statutory committee established by the *Australian Wine and Brandy Corporation Act 1980* (the AWBC Act) to make determinations of geographical indications for wine in relation to regions and localities in Australia.

In accordance with section 40V of the AWBC Act, the Presiding Member of the GIC wishes to advise that an interim determination of an Australian geographical indication has been made for the subregion of **POKOLBIN** as set out in this notice.

As part of the procedure for determining Australian geographical indications, interim determinations are published to enable persons to submit material that they would like the GIC to consider prior to making a final determination.

Persons are invited to make submissions to the GIC in regard to the interim determination detailed in this notice. Submissions must be in writing and be received within one (1) month from the date of publication of this notice in the Commonwealth of Australia Gazette (10 March 2010). Submissions should be addressed to:

The Executive Officer  
Geographical Indications Committee  
Australian Wine and Brandy Corporation  
PO Box 2733, KENT TOWN, SA 5071

The maps associated with this interim determination may be inspected at the offices of the Australian Wine and Brandy Corporation during normal business hours. Further information may be obtained by contacting Andreas Clark on 08 8228 2072.

#### TEXTUAL DESCRIPTION OF PROPOSED BOUNDARY

The Geographical Indication **POKOLBIN** is a subregion located within the region of **HUNTER** which is located within the zone of **HUNTER VALLEY** which is within the State of **NEW SOUTH WALES**, Australia.

The official maps used to support the textual description of the boundary of the Geographical Indication **POKOLBIN** are:

BULGA TOPOGRAPHIC & ORTHOPHOTO MAP  
Scale 1:25,000  
Sheet 9132-4S, Second Edition  
© Land and Property Information NSW. 2001

GRETA TOPOGRAPHIC & ORTHOPHOTO MAP

Scale 1:25,000  
Sheet 9132-1S, Second Edition  
© Land and Property Information NSW. 2001

CESSNOCK TOPOGRAPHIC & ORTHOPHOTO MAP

Scale 1:25,000  
Sheet 9132-2N, Third Edition  
© Land and Property Information NSW. 2001

BROKEN BACK TOPOGRAPHIC & ORTHOPHOTO MAP

Scale 1:25,000  
Sheet 9132-3N, Third Edition  
© Land and Property Information NSW. 2001

The beginning point of the boundary is located on **Bulga** map (Sheet 9132-4S) at grid reference LJ357841 being the junction of an unnamed vehicular track and an unnamed four-wheel drive track; then proceeds in a south-easterly direction along the unnamed vehicular track to the edge of the map at grid reference LJ359840; on to **Greta** map (Sheet 9132-1S) at grid reference LJ359840; then proceeds in a south-easterly direction along the same unnamed vehicular track to its junction with Hermitage Road and Old North Road at grid reference LJ369829; then proceeds in a northerly direction along Hermitage Road to the northern boundary of the parish of Ovingham at grid reference LJ371837; then proceeds in a south of easterly direction in a straight line along the northern boundary of the parishes of Ovingham and then Rothbury to its junction with Hanwood Road at grid reference LJ438826; then proceeds in a south-easterly direction along Hanwood Road to its intersection with Main Road at grid reference LJ446819; then proceeds in a generally southerly direction along Main Road to Belmont Bridge on Black Creek at grid reference LJ431785; then proceeds in a generally south-easterly direction along Black Creek to the edge of the map at grid reference LJ451752; on to **Cessnock** map (Sheet 9132-2N) at grid reference LJ451752; then proceeds in a generally southerly direction along Black Creek to its junction with Bellbird Creek near Cessnock at grid reference LJ463672; then proceeds in a generally south-westerly direction along Bellbird Creek to Kendall Street in Bellbird at grid reference LJ426630; then proceeds in a generally westerly direction along Kendall Street and then Bimbadeen Road to its junction with Mount View Road and Mount Bright Road at grid reference LJ393639; then proceeds in a generally northerly direction along Mount Bright Road to its intersection with The Great North Walk walking track at grid reference LJ389659; then proceeds in a generally north-westerly direction along The Great North Walk to its junction with an unnamed vehicular track at grid reference LJ382664; then proceeds in a north-westerly direction along the unnamed vehicular track to its junction with Mount Bright Road and an unnamed road at grid reference LJ379668; then proceeds in a generally westerly direction along the unnamed road to its junction with Pokolbin Mountains Road at grid reference LJ374669; then proceeds in a westerly then northerly direction along the unnamed road to its intersection with an unnamed vehicular track at grid reference LJ369672; then proceeds in a generally northerly direction along the unnamed vehicular track to the eastern boundary of the Pokolbin State Forest at grid reference LJ369693; then proceeds in a east of northerly direction along the eastern boundary of the Pokolbin State Forest to grid reference LJ372718; then proceeds in a generally westerly then northerly then easterly then northerly direction along the eastern boundary of the Pokolbin State Forest to grid reference LJ368725; then proceeds in a generally westerly then northerly then westerly direction to the edge of the map at grid reference LJ361728; on to **Broken Back** map (Sheet 9132-3N) at grid reference LJ361728; then proceeds in a generally westerly direction along the eastern boundary of the Pokolbin State Forest to grid reference LJ352727; then proceeds in a generally northerly then easterly direction along the eastern boundary of the Pokolbin State Forest to the edge of the map at grid reference LJ361729; on to **Cessnock** map (Sheet 9132-2N) at grid reference LJ361729; then proceeds in a

generally easterly direction along the eastern boundary of the Pokolbin State Forest to grid reference LJ365729; then proceeds in a generally northerly then westerly direction to the edge of the map at grid reference LJ361730; on to **Broken Back** map (Sheet 9132-3N) at grid reference LJ361730; then proceeds in a generally westerly then northerly direction along the eastern boundary of the Pokolbin State Forest to the edge of the map at grid reference LJ361733; on to **Cessnock** map (Sheet 9132-2N) at grid reference LJ361733; then proceeds in a generally northerly then easterly direction along the eastern boundary of the Pokolbin State Forest to grid reference LJ365733; then proceeds in a generally northerly then westerly direction to the edge of the map at grid reference LJ361737; on to **Broken Back** map (Sheet 9132-3N) at grid reference LJ361737; then proceeds in a north of westerly direction along the northern boundary of the Pokolbin State Forest to its junction with an unnamed vehicular track at grid reference LJ356738; then proceeds in a generally northerly direction along the unnamed vehicular track to its intersection with Broke Road at grid reference LJ357749; then proceeds in a generally westerly direction along Broke Road to the edge of the map at grid reference LJ351751; on to **Bulga** map (Sheet 9132-4S) at grid reference LJ351751; then proceeds in a generally westerly direction along Broke Road to an unnamed four-wheel drive track at grid reference LJ344752; then proceeds in a generally northerly direction along the unnamed four-wheel drive track to its junction with the unnamed vehicular track at grid reference LJ357841; which is the beginning point for the boundary.
